

# 2015 International Conference of Colloids and Interface Science (ICIS-2015)

**date:** July 21-24, 2015

**venue:** National Taiwan University of Science and Technology (Taiwan Tec), Taipei, Taiwan

**room:** IB 101 and 201

**HP:** <http://jtcc2015.org/>

## Plenary speakers:

**Prof. Makoto Aratono**

(Kyusyu University, Japan)

**Prof. Katsuhiko Ariga**

(NIMS, Japan)

**Prof. Vincent Craig** (Australia

National University, Australia)

**Prof. Kazue Kurihara**

(Tohoku University, Japan)

**Prof. Hsisheng Teng** (National

Cheng Kung University, Taiwan)

**Prof. Heng-Kwong Tsao** (National

Central University, Taiwan)

## Keynote speakers:

**Prof. Dong-June Ahn**

(Korea University, Korea)

**Prof. Shing Bor Chen** (National

University of Singapore, Singapore)

**Prof. Tetsu Yonezawa**

(Hokkaido University, Japan)

**Prof. Tsang-Lang Lin** (National Tsing

Hua University, Taiwan)

**Prof. Yuh-Lang Lee** (National Cheng

Kung University, Taiwan)

**Prof. Yu-Chen Tsai** (National Chung

Hsing University, Taiwan)

**Prof. Hirofumi Kanoh**

(Chiba University, Japan)

## Special session (free) :

(1) Exhibition booth of companies

(7/22-24, IB Robby A)

(2) Technical Session by Japanese

Enterprise (7/24, IB201)

(3) Japanese Tea Ceremony

日本の茶道 (7/24, IB Robby A)

(4) Post conference

(7/25, Chung Shan Medical

Univ., Taichung, Taiwan)

**Abstraction submission:** June 25, 2015

**Registration fee:**

General 3,000NTD (2,500NTD by June 25)

Student 1,200NTD (1,000NTD by June 25)

**Application:** <http://jtcc2015.org/>

**Organizer:**

**The Taiwanese Colloid and Interface Society**  
**Co-Organizer: The Chemical Society of Japan**

**Chairperson:** Toyoko Imae (NTUST, Taiwan)

**Contact address:** [ujihara@jtcc2015.org](mailto:ujihara@jtcc2015.org)

Announcement of special session in ICCIS-2015

# Enterprise Program

## *Technical Session by Japanese Enterprise*

Date: July 24, 2015 afternoon

Venue: National Taiwan University of Science and Technology  
(Taiwan Tec), Taipei, Taiwan

Room: IB 201

Subject: Recent Cosmetics and Detergents R&D in Japan  
and Introduction of the Companies

Topics for Academic Researchers, Industrial Researchers  
Marketers, and University and Graduate Students

participation fee: free

Application: through web <http://jtcc2015.org/>

Contact address: [ujihara@jtcc2015.org](mailto:ujihara@jtcc2015.org)

### **Program**

– Japan Events 12:00-13:30 –

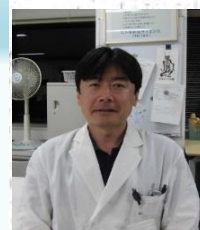

**Dr. Kenji IGARASHI**, KOSE Corporation

“Water in Powder Technology: particle interaction on air-  
water interface” 13:30-14:00

**Dr. Kei WATANABE**, Shiseido Research Center

“ $\alpha$ -Gel in Cosmetics - Sodium methyl stearoyl taurate  
enabled a stable emulsion including salt-type whitening  
agents -” 14:00-14:30

– Japan Event and Tea Break 14:30-15:00 –

**Dr. Masanori ORITA**, Kao Corporation

“Development of  $\alpha$ -Gel Containing a Large Amount of Water  
and the Study of Pseudo-Intercellular Lipid Membrane  
Formation on a Skin Surface” 15:00-15:30

**Dr. Yukihiro KANEKO**, Lion Corporation

“Latest Innovation in Heavy Duty Liquid Detergent in  
Japan/Asia: Spontaneously-generated Solubilization of Oleic  
Acid by Methyl Ester Ethoxylates (MEE)” 15:30-16:00

– Question Time and Japan Events 16:00-16:30 –

### **JAPAN EVENTS**

Exhibition booth of companies will be displayed for July 22-24.

“Japanese tea ceremony” will be demonstrated in July 24.
